

Client rights and responsibilities:

- I _____ take full responsibility to make an informed decision to have my placenta prepared for ingestion.
- I agree to notify Naturally Placenta as soon as I deliver in order to coordinate pick up.
- I am consenting to release my placenta to and contracting with Naturally Placenta to prepare my placenta according to OSHA and Georgia Food Safety and Handling Standards.
- I agree to have the placenta stored on ice, in a cooler or refrigerator within 3 hours after birth and put in the freezer at 48 hours if there will be more than 2 days from birth until my placenta is handed to the encapsulator. I understand that if I fail to do this, Naturally Placenta is not responsible for the freshness of the placenta.
- I agree to notify my doctor or midwife of my wishes to keep my placenta. You may have to sign a release form if birthing at a hospital. Failing to mention this may result in the placenta being disposed of quickly by healthcare staff.
- I understand that my placenta will be handled and processed by a trained and educated encapsulator. This is not approved by the FDA and I will be consuming this at my own risk.
- I understand that it is my responsibility to supply documentation for any transferrable blood-borne pathogens, or infectious disease and I will notify Naturally Placenta in advance. I understand Naturally Placenta may inquire about my health status.
- I understand that Naturally Placenta will not be able to process my placenta in the event that there is a concern of intrapartum uterine infection or diagnosis of intrapartum uterine infection. In this situation, Naturally Placenta retains the non-refundable deposit.
- I understand that I will receive my placenta capsules within one week, usually 48-72 hours, from the time Naturally Placenta receives my placenta, or within an agreed timeframe that is discussed between Naturally Placenta and client.

Placenta specialist rights and responsibilities:

- We do not promise or guarantee specific benefits. Benefits have been backed by anecdotal and evidence based research, they are not backed by the FDA.
- We are not a medical professionals and will not diagnose or treat any health condition. We have been trained in the proper safe storing, handling and preparation of your placenta.
- In the unlikely event of an unforeseen circumstance where Naturally Placenta cannot fulfill our contract, we will find a replacement encapsulator or refund your deposit.
- We guarantee that we handle your placenta with respect and care and that you are getting your placenta back in the form that you have requested.
